Possible Fields of Immediate Usefulness

To assist in one or more of the following activities:

1. Improvement in the value of Intelligence studies now being made by Intelligence Reserve Units, and by contract at universities and elsewhere.
This improvement to be accomplished by:
 - a. Clear definition of the purpose and scope of the work in each case.
 - b. Conferences with those doing the work.
 - c. Close supervision of progress.
 - d. A continuing review of the requirements in changing situations.
 - e. Obtaining reports in helpful form in time to be of service.
 - f. Discontinuance of unpromising projects.
 - g. Inauguration of new projects under promising circumstances.
2. Procurement of desirable personnel especially on the higher levels.
3. Supervision of Schools and Training now being conducted by or for CIA.
4. Contact with other US Agencies, especially Army and Technical.
5. 
6. The general field of Combat Intelligence in the broadest sense.
7. Public relations and public information, including speaking at meetings of various organizations to build general understanding and goodwill.
8. Strategic Intelligence Research and the evaluation of research.
9. Special projects for Mr. William H. Jackson.
10. General duties of organization and administration.

Services available on or after 4 January 1951.
